In the event that the remains of the deceased contain such a device, I/we hereby authorize the funeral home and its agents and employees to remove any such mechanical devices from the remains of the deceased prior to cremation and dispose of such items at its discretion. I/WE HEREBY CERTIFY THAT THE REMAINS OF THE DECEASED DO _____ DO NOT _____ CONTAIN ANY TYPE OF IMPLANTED MECHANICAL OR RADIOACTIVE DEVICE. If no instructions for disposition are given, such items may be disposed of at the discretion of the funeral home. The cremation container containing the remains of the deceased will be place in the cremation chamber and will be totally and irreversibly destroyed by prolonged exposure to intense heat and direct flame. I authorize the crematory to open the cremation chamber during the cremation process and reposition the remains of the deceased in order to facilitate a complete and thorough cremation. Certain items including but limited to body prosthesis, dentures, dental bridgework, dental fillings, jewelry, and other personal articles accompanying the deceased maybe destroyed during the cremation process. I hereby authorize the crematory to dispose of any such residual particles in any lawful manner I deem appropriate. I agree to indemnify, release and hold the crematory, funeral home, and their affiliates, agents, employees and assigns harmless for any and all loss, damages, liability or causes of action (including attorney's fees and expenses of litigation) in connection with the cremation and disposition of the cremated remains of the deceased, as authorized herein, or my failure to correctly identify the remains of the deceased, disclose the presence of any implanted medical or radioactive devices, or take possession of, or make permanent arrangements for, the disposition of such remains.
